

May Prayer Calendar

May 3

Pawnee City

Rev. Duane Westing

The United Presbyterian Church, along with the First Christian Church, that meets in the same building, continue to reach out to the community by assisting folks in need, performing weddings and funerals, and providing an after school program. Our concern is a congregation that is growing older, in a community with a lessening population, which means a lower Sunday morning attendance. Please pray for our Sunday School program and folks struggling with disabilities.

May 10

Pender

Rev. Steve Breazier

Prayers are requested for the well being and prosperity of the Pender congregation. May they continue to grow as a caring and nurturing Christian community, as well as individuals, focusing on prayer, Bible study and worship.

May 17

Primrose

Rev. Ray Avidano

Prayers are requested for the well being and prosperity of the Primrose congregation. May they continue to grow as a caring and nurturing Christian community, as well as individuals, focusing on prayer, Bible study and worship.

May 24

Schuyler

Rev. Neal Allen

FPC is working on their mission study, putting things together, in preparation to form a PNC, or whatever we are calling it now. We have many children in Church School who were all promoted April 26. Next fall we will begin the confirmation class. Things are looking up and the congregation is beginning to grow again. Thanks be to God!

May 31

Steele City

The Steele City Presbyterian Church just held our Annual Soup Supper Fund raiser in March. Thankful for a great turn out and success. Our Congregation is also thanking God for Pastors Gail & Sylvia Cross who are serving as our interim pastors while we search for a new pastor. Three youth from our church will be confirmed on Sunday, April 19th. We continue the ministry of our church with Faith, Hope & Love.

May birthdays include: Bob Field-12th, Dennis Hett-12th, Gary Panko-22nd, Michael Eickhoff-23rd. If we have accidently omitted your name we are sorry, it might be that we don't have the date. Please email the Presbytery Office with your birthdate. Happy birthday!
