Tekamah

Rev. Duncan Nichol

Prayers of thanksgiving for the members of our Tekamah Church who were supportive of me during my wife's battle with cancer and after her passing in December. Thanks for the intergenerational ministry of Logos. Most of our recent adult members have come through the Logos Ministry, which completed its 23rd year. Prayers of thanksgiving for the 178 who praised Jesus on Palm Sunday with the confirmation group becoming members; and 150 for Easter. Prayers of concern about low attendance from 24-38 (off of last year's average 47) since Easter. Perhaps an early summer? Continued prayers for improvement in giving as we've borrowed from ourselves the last two months. Praise to the Lord for helping to start a Burt County chapter of Habitat for Humanity. Prayers that my application for a Lilly Grant for a three-month sabbatical in 2017 will be approved in August. The theme of my proposal is "intergenerational faith formation." Praise the Lord for my trip to Scotland!!!- Pastor Duncan Nichol, Clan McLeod of Lewis.
