

November Prayer Calendar

November 6

Dunbar

Rev. Katie Barrett Todd

Prayers are requested for the well being and prosperity of the Dunbar congregation. May they continue to grow as a caring and nurturing Christian community, as well as individuals, focusing on prayer, Bible study and worship.

November 13

Fairbury

Rev. Tom Osborne

The United Presbyterian Church in Fairbury requests your prayerful support for all of its programs directed to children and youth. Our Sunday School is very active with classes for preschool through sixth grade. Our Jr. and Sr. High Youth group meets each Wednesday and is very well attended. We offer a LOGOS program on Wednesday evenings that is very successful. The church also provides space for a preschool program on weekdays that we are proud to have in our facility. The congregation feels strongly that a commitment to the children and youth is vital for the future of our community. Please join with us in praying for the volunteers, staff and participants of these programs.

November 20

Falls City

Rev. Nancy Tuma

We would appreciate prayers for our members as they walk their daily faith journeys, as well as prayers for our congregation and minister as we get to know each other better.

November 27

Fremont

Rev. Jon Ashley

The Presbyterian Church of Fremont is praising God for the opportunity to once again host the Summer Lunch Program, which served 7685 hot meals and offered educational and faith enrichment programming for kids in our community, in partnership with the Salvation Army, Fremont Public Schools and The Hope Center for Kids. We are also praising God for recently calling seven new families to make commitments to Christ and the Church through membership, and for the exciting progress on our *2020 Vision* building improvement project. Please pray that our church family would continue to love God, love people, and change lives as we connect, grow and serve together.
