

## May Prayer Calendar

**May 7**

**Norfolk**

**Rev. Brian Johnson**

We praise God for the good things happening at FPC, Norfolk! During Lent we had a special study and a presentation on “Christ in the Passover” by Chosen People Ministries. We have been doing a joint confirmation class with the UCC church; Confirmation Sunday was on 4/30. An inquirer’s class for potential new members will be held in May, and we are celebrating our high school graduates on May 14. On March 26, FPC hosted an evangelical event for Spanish speakers in the community. But perhaps the most notable event was a visit to Norfolk by the Malawian ambassador to the U.S., Edward Sawerengera, and the mayor of Blantyre, Malawi, Wild Ndipo. This visit came about largely because of connections with our mission efforts to Malawi.

**May 14**

**North Bend**

**Rev. Michael Hill**

United Presbyterian Church in North Bend would appreciate prayers for our graduates, it has been awesome watching them grow into young adults. We also request prayers for our mission supporting those devastated by the Kansas wildfires and for support of education and ministry in South Sudan and Ethiopia.

**May 21**

**Palmyra**

**Rev. Steven Piper**

Please pray for the Palmyra congregation; that we may grow in faith; that we may trust in the Lord with all our hearts and lean not on our own understanding; that we may discern the will of God for us and then do it; and that we may thrive as a fellowship of believers now and in the future, all to the glory of God.

**May 28**

**Panama**

**Rev. Darin Bentzinger**

Panama Presbyterian Church are very thankful for God's grace and love in blessing our community of faith. Please pray prayers of thanks for us as we continue to minister to one another both in our congregation and beyond! Most importantly please pray for the Spirit to inspire us to discover new and meaningful ways that we might carry the Gospel of Jesus Christ in a special way to those with the greatest need!
