

You are invited –

Lincoln Westminster Church is excited to host an evening of food and fellowship with **Presbyterian Church (USA) Mission Co-worker Jim McGill** on **Friday, June 2, at 6:30 p.m.** **Westminster Church is located at 2110 Sheridan Blvd.**

Westminster's Outreach Committee and our "World on a Plate" group are hosting the **potluck supper**, where Jim McGill will share about the work he and his wife, Jodi, have been doing in **Malawi, Africa** for 20+ years. Jim has worked in the areas of **clean water and sanitation**, with the Synod of Livingstonia's three hospitals, as well as the **shallow wells work** of the Marion Medical Mission.

Jodi McGill has been working with the Synod's **three hospitals, the congregation-based malaria prevention program, HIV/AIDS prevention and care, and a variety of other public health programs**. Jim and Jodi's next assignment will be to **Niger**, where they will be doing the same kind of work.

Jim spent many years in Africa doing geophysical research for the Geology Department at Duke, and as the child of Presbyterian missionaries to Congo. The McGills are the parents of six children, twins Jason and Michael, Salome, Selina, and twins Joseph and John.

We invite you to come share this wonderful opportunity to hear about the mission work that our co-workers do on our behalf. **You are welcome to bring a dish to share, or simply come. Tableware will be provided.**
