**A Note from the  
Homestead Strategy Team**

**What is the Vision for Homestead Presbytery?**

The committee is just now beginning to tackling this question. What do we want our Presbytery to look like in 5 or even 10 years from now? Our conversations with the congregations gave us many glimpses into what this might look like. And also have our Day of Discernment information to help us with this. Please pray for our committee to find the answers while weeding through what we have before us.
