"Reboot Your Worship"

The Gift of Revitalization: a 6-week interactive online worship learning experience with Dr. Marcia McFee and the Worship Design Studio- **Free to You!**

We care about resourcing the churches in this area, and we are pleased to offer you the chance to participate in Dr. Marcia McFee's "**Reboot Your Worship**" training at no cost to you starting on September 20th, 2020. Our participation gives you access to 6 weeks of downloadable resources (articles and videos) and 6 live webinars (also recorded for your archives) with Dr. McFee, a renowned worship designer, consultant, and educator (<https://www.worshipdesignstudio.com/>). She will be training churches in five basic ways to improve their worship immediately, no matter the size or style of worship and without a big budget or drastic change. Just as we have an occasional need to reboot our computers, "rebooting" your worship is simply a way to look through fresh eyes and get some fresh skills.

This course is also tailored to approach worship practices during the pandemic and will explore the basics of sensory-rich worship design while emphasizing safety protocols and getting creative for online expressions without burning out. AND Dr. McFee will be getting you ready for your best Advent season ever all along the way! All you need to do is register (at no charge) to receive the emails. You can invite unlimited members of your worship team (or potential worship team members) to receive these communications as well. We encourage you to take advantage of this free offer (usually \$99 per church) made possible through our area's registration.

Register ASAP!

(You will get access to all 6 webinar videos.)

Webinar for Shelters of Last Resort: Examining Systems of Congregate Emergency Shelter for Homeless and Vulnerable Populations During COVID-19

Every day, hundreds of thousands of homeless Americans are crowded into emergency shelters. Many of the homeless have severe and persistent co-occurring behavioral and medical disabilities, including drug and alcohol addictions. Using a public health and safety lens, this webinar will examine the challenges, options, and emerging model practices to address the daunting task of providing shelters and longer-term housing options for vulnerable populations during COVID-19. Promising

approaches to reduce the density of homeless emergency shelters will be a key focus of this webinar. Building on earlier discussions in this webinar series, panelists will also look at the frequent requirement to serve vulnerable populations during a disaster, including integration into disaster shelter systems.

Speakers:

Justin Brown, Chief, Office of Emergency Management Washington D.C.
Department of Human Services

Dr. Donell Harvin, Chief, Homeland Security and Intelligence, Washington D.C.
Homeland Security and Emergency Management Agency (HSEMA)

Daniel Malone, Executive Director, Seattle Downtown Emergency Service Center (DESC) Co-Convener, Housing First Partners Conference

As pastors and church leaders, we are often inundated with requests and demands of our local churches let alone the larger cultural realities of leading amidst a pandemic, social, political and racial unrest and a polarizing presidential election. Phew!! Jesus was no stranger to these individual and societal pressures and realities AND in the midst of them dismissed the crowds, withdrew to deserted places and prayed (Matt. 14:22-23). This is our invitation to you. Amidst this pandemic, a week after our presidential election and a few weeks before the season of Advent we invite you to dismiss the crowds, come to the mountains, pray and BE with God (re)connecting with Hope, Peace, Joy, and Love

Opportunities to Be Helped and to Help with Challenges Due to the Pandemic

Opportunity #1 --- Pastor Zac Wolfe of Beatrice First Presbyterian Church has announced that their Session will be donating \$500 for use by churches in Homestead Presbytery that have special ministry needs related to the COVID-19 Pandemic. An application for such funds follows and is due (postmarked or emailed) by October 31, 2020. At Beatrice Session's request, the Homestead Presbytery Disaster Response Team will review applications and make decisions regarding distribution of funds. If interested, please complete the application entitled "Application for Funds to Help Cover Pandemic-Related Ministry Expenses."

Opportunity #2 --- Beatrice First Presbyterian Church Session is also presenting a challenge to other churches and individuals in Homestead Presbytery inviting any that are interested and able to donate funds for the same purpose. They will match dollar for dollar up to another \$1000 to help churches with special ministry needs related to the COVID-19 Pandemic. This opportunity to give and have gifts matched will extend through December 31, 2020 or until the \$1,000 is matched. If interested, please complete the form entitled "Donation of Matching Funds to Cover Pandemic-related Ministry Expenses in Homestead Presbytery."

Per Business and Finance Committee of Homestead Presbytery:

That the Business and Finance Committee endorses the matching gift program sponsored by the Beatrice church for churches facing financial struggles in the time of the pandemic (a \$500 gift with matching donation from the Beatrice church up to an additional \$1000) and that the assistance fund be managed and dispersed by the Disaster Response Committee in accordance to guidelines and procedures developed by the Disaster Response Committee.

The funds should be sent to the Presbytery for accounting purposes, with immediate notification upon receipt of a donation being sent to the Pastor and Clerk of Session in addition to the chair of the Disaster Response Committee. Should, at the end of the pandemic, there be funds remaining, then the balance shall be designated for use by the Disaster Response Committee to respond to financial needs in the Presbytery due to disaster.

What an incredible blessing this is for both churches with needs and for churches and individuals who can step up to meet those needs. Thank you, Beatrice First Presbyterian Church, for your wonderful spirit of generosity!
